

### Terms and Conditions

1. An indefinite **condition of nomination\*** will be introduced, requiring a greyhound nominated for an event at The Q to have successfully trialled out of the starting boxes to the satisfaction of QRIC stewards and/or QGRC officials, at the specific track it is to be nominated for (Q1, Q2 and/or Q Straight).

**A satisfactory pre-nomination trial at The Q requires that a greyhound completes the following:**

- a. Jumps from a starting box approved by Stewards/QGRC official;
- b. Runs past the finishing post; and
- c. Enters the catching pen.

(Eg: If a greyhound has successfully trialled at only Q1 Lakeside, it is only eligible to be nominated for and compete in an event at Q1 Lakeside). *\*Certain events may be exempt from this condition at RQ's sole discretion.*

2. Commissioning trial sessions will be available to participants **free of charge** during the commissioning period of each track. Racing Queensland will advise when this commissioning period has been completed for each track and charges will then be at the discretion of the QGRC.
3. Commissioning trial sessions **are not open to the public** and **only essential personnel** are permitted to attend.
4. All trainers must bring their own catcher.
5. There will be no finish on the lure trials.
