# MEDIA RELEASE

**Queensland Greyhound Racing Club** · For immediate release · 17 November 2026

## 136 nominations received for the revamped Golden Chase

**The Queensland Greyhound Racing Club (QGRC) has received 136 nominations for its new-look Golden Chase, with attention now turning to Auction Day at The Q on Sunday 17 January 2027.**

Nominations closed at the end of October and have now been finalised by the Club, delivering a strong response from breeders and owners to the revamped format.

“We’re delighted with the response to the new Golden Chase. To receive 136 nominations in the first year of the revamped series shows real confidence from the industry in what we’re building here at The Q,” said Mick Edwards, QGRC Chief Operations Officer.

“Our focus now is on delivering an Auction Day that does justice to the quality of pups nominated and gives buyers every opportunity to secure a future Golden Chase runner.”

### Victorian satellite auction with Sandown Park

In a first for the series, the QGRC will partner with Sandown Park to host a satellite auction for the 28 pups nominated in Victoria. The arrangement will allow Queensland buyers to bid on Victorian-bred pups on the day.

### Next steps for nominators

Preparations for Auction Day are underway. All nominators will be contacted in early December with auction details and the requirements for presenting their pups.

### Registering to bid

Buyers must be registered to bid. Only registered bidders will be able to bid on pups on Auction Day, and this includes nominators who wish to bid on their own pups. Bidder registration details will be published on the QGRC website and social media channels in the coming weeks.

Full Golden Chase details, including the complete list of pups for sale, are available at qldgreys.com/goldenchase.

**– ENDS –**
